

2 February 2026

APPLICATION NUMBER: CIO-540

Aberystwyth Musicfest
iwanteifiondavies@gmail.com

Dear Aberystwyth Musicfest,

Your application was considered at the recent meeting of Trustees, and I am pleased to tell you that, subject to the outcome of other applications for financial assistance, they are prepared to offer you **£1,500** in support of your project on the following conditions:

- (a) The project must take place as stated in your application. Any changes, unless these are notified and agreed in advance, will jeopardise the grant.
- (b) In the case of performances, if a published contemporary work is included in a performance, the use of illegally copied material may nullify the grant.
- (c) **If the grant is not claimed within 12 months of your project end date, the offer will automatically be withdrawn.**
- (d) This grant is made on the condition that it is repayable forthwith if another grant is received from elsewhere for the same or similar purposes and the total grant income then exceeds the total required for this project.
- (e) The Foundation's assistance should be acknowledged in any programmes or promotional material by using our logo.
- (f) Please arrange for complimentary tickets to be available for any Trustees wishing to attend your project.

The grant is payable on completion of the project. To claim your grant, please submit a final report that includes:

- A summary of your project, noting any changes from your original application (including the outcomes of any other funding applications).
- Any feedback received from those involved.
- Documentation (eg photos, film, or audio clips) that may be used on our website.
- Any reviews or press coverage.

Please note that the Trustees may request supporting documentation for your financial summary.

If this offer is acceptable, please confirm your agreement to the above-mentioned conditions by completing the form linked in the email accompanying this letter.

Yours sincerely,

Dav Williams
General Manager
